Political contributions:

Federal law mandates that no union dues are to be used to support any political party or candidate. CWA does have a political arm which lobbies for labor-friendly issues, but it is solely funded by voluntary contributions to COPE.

Time Clocks:

According to Federal labor laws, Management must allow the agents enough time to clock in, gather any needed equipment and walk to their work areas once their shifts begin.

Grievances:

Janice presented the open grievances.

The next meeting of the Executive Board will be held on Thursday, May 20th.
